

Tilleke & Gibbins and Pacific Legal Group Combination

On August 1, 2008, Tilleke & Gibbins International Ltd. (T&G) and Pacific Legal Group (Thailand) Ltd. (PLG) merged their practices and now operate under the name of Tilleke & Gibbins International Ltd.

This combination has allowed T&G to expand its services to include those provided by PLG, the most experienced group of Food and Drug Administration (FDA) and Ministry of Agriculture (MOA) registration and regulatory compliance specialists in Thailand. PLG has provided a comprehensive range of services since 1992 relating to Thai FDA and MOA registration and regulatory compliance matters.

With the addition of Pacific Legal Group's pharmacists, agricultural consultants and supporting regulatory specialists to the T&G staff, our respective clients will benefit from our ability to deliver the highest quality FDA and MOA registration and regulatory compliance services in Thailand.
